

Illinois Paralegal Association Mentor Program Application for Mentors

The Mentoring Program is a volunteer program consisting of members of the Illinois Paralegal Association (the "IPA"). You will be assigned Mentees within your practice area for a period of 3 months or less; however, you may also be assigned Mentees outside of your practice area for general matters, if needed. If possible, you should accompany your Mentee to their first committee meeting. Please note that the program does not provide job training or job placement. Information on job listings and recruiting firms is located on the IPA's website and *The Lookout*, the IPA's monthly newsletter. In order to become a Mentor, you must meet all three of the following criteria (please check the box):

- You must be a Member of the IPA.
- You must be employed as a Paralegal.
- You must be a Senior Paralegal with a minimum of 5 years experience as a Paralegal.

Name:

(First) (Last)

(Street Address)

(City) (State) (Zip)

(Telephone) (Email)
